— O N I S R A E L —

JOURNALIST · MIDDLE EAST · KEYNOTE SPEAKER

## Nathan Jeffay, journalist.

*Israel's story told  
with heart and honesty.*

Booking a USA speaking tour, pre-Rosh Hashanah & October 2026.  
JCCs · synagogues · Hillels · federations.

*I'm Nathan. I'm unusual as a journalist.*

Firstly, because I love public speaking even more than I love writing. And secondly, because I don't hesitate to say that I adore Israel. I relate to the country with all the integrity that should define journalism, and with passion for the human stories behind the headlines.

“*Nathan has fascinated the group with insights as a reporter and analyst on subjects and issues Israel faces today.*”

GEOFF WINSTON, Programs Director, Keshet Israel
